1 Waiver: For nonconforming structures located within five (5) feet of a vehicular right-of-way or within five (5) feet of a planned vehicular right-of-way improvement only, the Planning Director (or designee) may waive the requirement for an Administrative Site Development Permit for altering more than 50% (or 65%) of the major structural components if he or she determines that the proposed project will not adversely affect the environment or public health, safety or general welfare. If the requirement is waived, then the permit requirements for altering or reconstructing nonconforming structures that are not in a special location shall apply. (see sections 13.10.262(a)4 and 13.10.262(a)7)).
