

What's My Zoning?

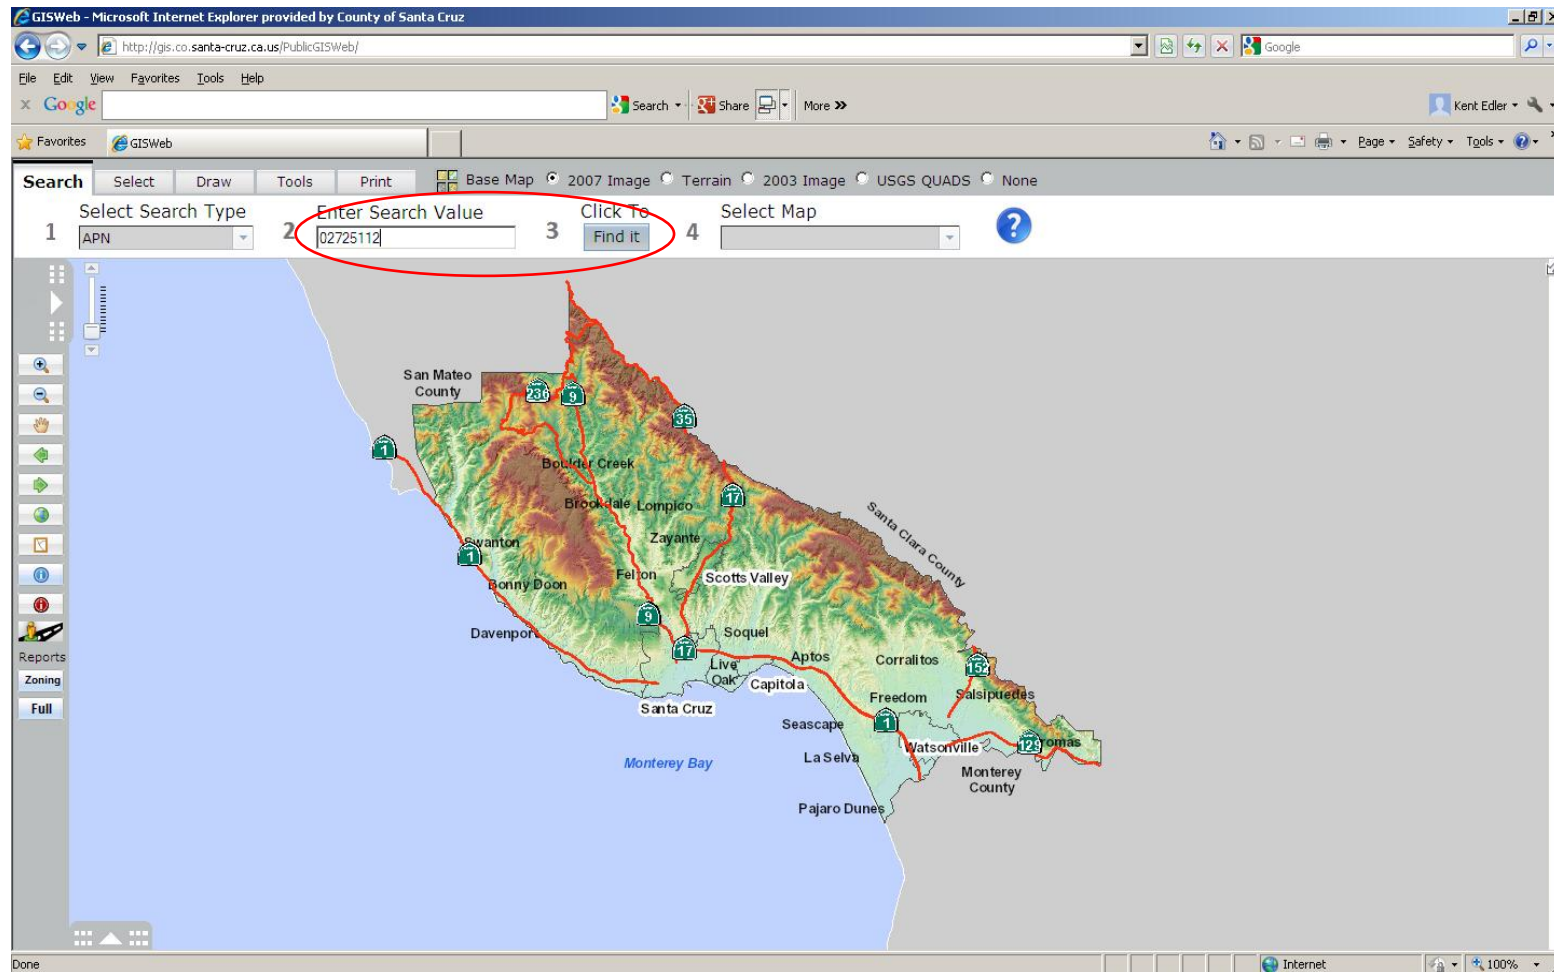

The following explains how to determine your Zoning using the County of Santa Cruz GIS Mapping Application.

Step 1

Open on the GIS Application through the Planning Department's Home Page or by clicking [here](#). Read the disclaimer and click "Agree."

Step 2

Enter your parcel number in Box 2 and click "Find it." If you do not know your parcel number, click [here](#).

Step 3

Click on the "Land Use" tab at the bottom of the window to view the Zoning as well as other Land Use information.

Parcel Reports

Click here

This is your Zoning

Attribute	Value	Attribute	Value
Click on Zoning for Description:	PR	arks	SIMPKINS SWIM CENTER
