ACCESSIBLE PARKING AND PATH OF TRAVEL VERIFICATION AGREEMENT

Project Address: _____

Building Permit application Number: _____

Before a permit can be issued, the owner, or the engineer or architect of record, acting as the owner's agent, shall complete two (2) copies of this agreement. A preconstruction conference with the parties may be required to review the accessibility requirements and procedures.

Before the rough framing, plumbing, electrical, and/or mechanical inspection can be approved, and prior to the placement of any paving materials in the accessible parking area(s) or accessible path(s) of travel, a surveyor or civil engineer licensed by the State of California shall complete the attached Accessible Parking and Path of Travel Verification Form. The attached form shall be available for the building inspector at or before the rough framing, plumbing, electrical, and/or mechanical inspection and before the placement of any paving materials in the accessible parking area(s) or accessible path(s) of travel.

I have read and agree to comply with the terms and conditions of this agreement.

TOM BURNS, PLANNING DIRECTOR

ACCESSIBLE PARKING AND PATH OF TRAVEL VERIFICATION FORM

Project Address: _____

Building Permit Number: _____

To be provided to the Authority Having Jurisdiction and before the placement of any paving materials in the accessible parking area(s) or accessible path(s) of travel.

I have examined the proposed accessible parking area(s) and accessible path(s) of travel on this project and have verified prior to the placement of paving materials that these areas will comply with slopes and elevations specified in the State Code and the approved plans prior to the completion of the project. I understand that a final inspection will not be approved and a certificate of occupancy will not be issued until the accessibility requirements are met.
