

The preparer is legally responsible for signatures whether graphic, typewritten, or handwritten. Documents may not be restricted by digital signatures or otherwise.

Project Information All applicants must fill out this section Staff will assign Permit No. _____

Property Owner and Project Location

APN(s): _____
 Project Address or Location: _____
 Legal Owner: _____ Email: _____
 Owner Mailing Address: _____ Phone: _____

Applicant

Name: _____ Email: _____
 Address: _____ Phone: _____

Other Contact

Name: _____ Email: _____
 Address: _____ Phone: _____

Briefly Describe Scope of Work Indicate the proposed project and type of discretionary permit required. Refer to LORI for complete application requirements.

Owner-Agent Authorization

For persons other than the property owner who wish to obtain a building permit, development permit and/or other permit, the approval of the property owner is required.

Agent Name: _____ Phone: _____
 Agent Address: _____ Email: _____

I declare under penalty of perjury that I am the Property Owner at the above Project Address; I have completed the above information; and certify the accuracy of the information provided.

Signature of Owner: (actual signature required) _____ Date: _____

Note: One Owner-Agent form will be required for each permit required. In the case where there is more than one owner of a parcel, the owner signing this form represents that he/ she has the consent from all other owners of the parcel. For development permits, by signing this form, the owner is authorizing the agent to legally bind the owner to responsibility for payment of the County's cost for inspections and all other actions related to noncompliance with permit conditions. The agent will be required to provide the department with proof of service by mail, that the owner was mailed a copy of the executed acceptance of permit conditions. Finally, by signing this form, the owner is designating the agent as their Agent for Service of Process for all matters relating to this application.

Applicant's Signature

I certify that I am the applicant and that the information submitted with this application is true and accurate to the best of my knowledge and belief. I understand that the County of Santa Cruz is not responsible for inaccuracies in information presented, and that inaccuracies may result in the revocation of planning permits as determined by the Planning Director. I further certify that I am the owner or purchaser (or option holder) of the property involved in this application, or the lessee or agent fully authorized by the owner to make this submission, as authorized above.

I understand the County of Santa Cruz has attempted to request everything necessary for an accurate and complete review of your proposal; however, after Planning staff has taken in the application, it may be necessary to request additional information and clarification. I authorize County staff to enter the property involved in this application to conduct site visits necessary for the processing of my application

Property Owner or Authorized Agent Signature: Sign and print name below

Signature: _____ Date: _____

Property Disclosure Statement

1. Applicant's statement of interest in the property (in connection with the application to be filed).

Commonly Handled Hazardous Materials List

If your proposed use involves one of these materials, or a similar material, you must, under state law, acknowledge the use of handling of such materials on this form. Environmental Health staff can assist you in determining whether you will need to prepare a Business Plan and/or Risk Management and Prevention Program, as required by State law. They can also help you distinguish between hazardous and acutely hazardous materials. Environmental Health located at County Government Center, 701 Ocean Street, Room 312, Santa Cruz, CA, 95060, or call 831-454-2022.

Examples of regulated hazardous materials commonly handled:

1. Motor fuels, oils, solvents, thinners, some paints, lacquers, kerosene, and other petroleum products.
2. Acids, caustics, and other corrosive materials.
3. Poisons and toxic materials such as pesticides and herbicides.
4. Oxidizers and oxidizing materials such as liquid oxygen, concentrated sulfuric and nitric acid, chlorates, permanganates, etc.
5. Compressed gases such as oxygen, acetylene, nitrogen, argon, and hydrogen.
6. Flammable solids, explosives, organic peroxides.
7. Toxic gases such as chlorine, ammonia, ethylene oxide, arsine, phosphine, etc.
8. Infectious/etiologic materials such as needle syringes, cultures, anatomical parts, etc.

The Monterey Bay Unified Air Pollution Control District can assist you with questions concerning air contaminants. They are located at 24580 Silver Cloud Court, Monterey, CA 93940, or you may call 831-647-9418
