

## **Building Equity and Growth in Neighborhoods BEGIN**

The County was the recipient of a grant under the State of California BEGIN Program in 2009. The purpose of the funding was to help to make the homes being built at Canterbury Park Townhomes more affordable.

The BEGIN Program provides low-interest (3% simple) silent second loans to qualifying buyers of homes at Canterbury Park Townhomes. The loans are due upon sale or transfer. Please direct questions about the Program to [housingprogramsinfo@santacruzcounty.us](mailto:housingprogramsinfo@santacruzcounty.us).
